

## COACHING PACKAGES

# UCHECHI EZURIKE- BOSSE

It's time to stop playing small and build a thriving business that heals, serves and transforms the world!

## Finally ready to live your dream lifestyle?

Great! You're in the right place!

Let me guess, it's quite possible you're...

- Unable to take your business idea from conception to completion
- Frustrated that you haven't been able to provide the lifestyle you crave for yourself and your family
- Not convinced that it's possible to make money doing something you actually love
- Looking for ways to overcome your money blocks and attract more wealth and prosperity into your life and business
- Tired of dreaming of possibilities and **READY** to start creating a new reality

**Well, I'm here to help!**

## **PACKAGES**

### **90mins Strategy Session**

You fill out an intake first, and based on your intake, I review and we have a session to map out how to best achieve your goals based on the questionnaire.

**Cost for 90mins Strategy Session is \$398 (plus applicable taxes).**

**[Click here to book your 90-minute strategy session with me.](#)**

## 4 Months Business Coaching

First month weekly sessions and last 3 months bi-weekly sessions. All sessions an hour in length. We review your business goals, create a plan (report) and using the time I support you in executing and implementing the plan.

You will get the execution plan report PLUS sales target (spreadsheet) with this offer. In our calls/meetings one or more of the following to be discussed:

- Strategic Game Plan/Clarify Your Direction
- Marketing and business development
- Mastering Mindset/Alignment to your goals
- Sales (monthly deep dives – analyze actual sales vs. targets)
- Ensuring execution of plans

**Total cost for 4 Months Business Coaching is \$5000 plus applicable taxes (payment plans available - inquire within).**

**One year access to Dream Life + Business Membership.**

### 6 Months Business Coaching

First two months will be in weekly sessions and last 4 months bi-weekly sessions. All sessions an hour in length. We review your business goals, create a plan (report) and using the time I support you in executing and implementing the plan.
